**Atlantic Broadband** is offering free internet service for 60 days with free installation and a free modem. Please see their message below for those interested in this service.

To ensure that the public has access to the internet during the COVID-19 outbreak, particularly households with students, Atlantic Broadband, a local provider that serves homes in our school district, has introduced a new service, “Atlantic Broadband Internet Assist”. The new service is available for a limited time to serviceable residents in Atlantic Broadband’s operating area who are in financial need and who do not presently have internet from Atlantic Broadband.

The 15/1 Mbps Internet Assist service, normally priced at \$9.99 per month plus taxes and fees, will be offered free for 60 days with free installation and a free modem. Those interested in the service should contact Atlantic Broadband at (888) 536-9600.

For other services that might fit your needs, see additional offerings at [Atlanticbb.com](http://Atlanticbb.com).

**Service Electric** is offering free internet service for 90 days. Please see their message below for those interested in this service.

Service Electric will offer free 10x5 Internet service for 90 days for new customers during this ongoing national emergency.

For more information on modem access and the 60-day financial grace period, please contact a SECTV Customer Service representative at: (570) 825-8508.

We will continue to assess the situation and adjust accordingly, doing our best to keep our employees safe and our customers connected.
